

目黒区

品川区

This map provides a comprehensive view of the urban landscape in Meguro and Shinagawa. It details the layout of major thoroughfares, including the multi-lane highways and the intricate grid of local streets. The railway lines are clearly marked, showing the connectivity of these districts to the rest of the Tokyo metropolitan area. Landmarks such as the Sagami Bay, various parks like the Sagami Bay Park and the Sagami Bay Park, and numerous educational institutions are identified. The map also shows the proximity to the Sagami Bay and the Sagami River, highlighting the coastal and waterway features of the region.
