

三鷹市

調布市

This map provides a comprehensive overview of the urban layout in Miharu and Chibushi. Key features include:
- **Transportation:** The Tohoku Expressway (Route 4) runs north-south through the center. National Route 114 and other regional roads provide local connectivity.
- **Geography:** The Tone River (利根川) flows through the eastern part of the area, with several parks and green spaces situated along its banks.
- **Education and Healthcare:** Numerous schools, including elementary, middle, and high schools, as well as hospitals and medical centers, are distributed throughout the districts.
- **Cultural and Recreational:** Landmarks such as the Miharu Museum of Modern Art, various parks (e.g., Miharu Park, Chibushi Park), and sports facilities are clearly marked.
- **Administrative Districts:** The map is divided into numerous small administrative districts, each labeled with its name and a small icon.
