

昭島市

This map provides a comprehensive overview of Shizuoka City, highlighting its geographical features and urban layout. Key elements include:
- **Waterways:** The Sagami River (相模川) is a central feature, with tributaries like the Tsubugai River (つづが丘川) and the Sagami River (相模川) flowing through the city.
- **Transportation:** Major roads such as National Route 16 (多摩川バイパス) and National Route 29 (奥多摩街道) are shown, along with various local streets and bridges like the Tenno Bridge (天王橋) and the Sagami Bridge (相模橋).
- **Landmarks and Parks:** Notable locations include the Sagami River National Park (相模川国定公園), the Tsubugai Park (つづが丘公園), and the Sagami River Park (相模川公園).
- **Urban Districts:** The city is divided into numerous districts, including 美堀町, 玉川町, 昭和田, 富士見町, and others, each with its own set of streets and facilities.
- **Public Services:** The map indicates the locations of various public services, including schools, libraries, and government offices.
