

目黒区

品川区

This map provides a comprehensive overview of the urban and infrastructure layout in the Meguro and Shinagawa districts. It details the following elements:

- Transportation:** Major roads including the Sagami Expressway (Route 1), Sagami Bay Expressway (Route 316), and various local roads like Route 317, 415, 418, 420, and 421. Railway lines such as the Tokaido Line, Sagami Line, and Sagami Bay Line are shown with station names like 目黒, 大崎, 品川, 大井, and 八潮.
- Geography:** The Sagami River (相模川) and Sagami Bay (品川湾) are prominent features. The map also shows the coastline and various islands like Hara Island (平和島) and Sagami Bay Island (品川湾島).
- Urban Planning:** The map displays a grid-like street pattern, major commercial centers, and residential areas. Key landmarks include the Rinsen Park (林森公園), Sagami Bay Park (品川湾岸公園), and various schools and public buildings.
- Administrative Divisions:** The map is divided into numerous smaller administrative units, each labeled with its name in smaller text.
