

多摩市

This map provides a comprehensive overview of Tama City, highlighting its urban layout and natural environment. Key features include:
- **Geography:** The Sagami River (相模川) flows through the northern part of the city, while the Arakawa River (荒川) runs through the southern part. The Tama River (多摩川) is also visible in the eastern section.
- **Transportation:** Major roads such as Route 20 (National Route 20) and Route 18 (National Route 18) are shown. The city is served by several railway lines, including the Keio Line (京王線), Sagami Line (相模線), and Tama Line (多摩線).
- **Landmarks and Parks:** Notable parks include Tama Zoo (多摩動物公園), Tama Park (多摩公園), and various local green spaces like 大塚公園 and 松が谷公園. Educational institutions like Keio University (中央大学) and Tama University (多摩大学) are also marked.
- **Neighborhoods:** The map identifies numerous districts, including 程久保, 大塚, 松が谷, 唐木田, 南野, 若葉台, and 聖ヶ丘. Each area is labeled with its specific name and often includes a small icon representing a local feature or facility.
